CVL Beamer Template

My Subtitle

Christopher Pramerdorfer

Computer Vision Lab, Vienna University of Technology

First Slide

First example slide.
Some interesting content.

- First item
- Second item

Some math, $v = \sum_k x_k^2$.

Second Slide
Some Subtitle

Some **interesting** code:

```python
def foo(x):
    return np.array(x, dtype=float)
```

Third Slide

Have a look at Figure 1.
